

**The Hebrew University of Jerusalem  
The Institute of Dental Sciences  
Faculty of Dental Medicine  
Tenure Track Position**

The Institute of Dental Sciences of the Faculty of Dental Medicine calls for applications for a tenure track position that will be available starting October 2015. Ph.D., Ph.D.- D.M.D., or Ph.D.-M.D. degrees and postdoctoral training are required.

Candidates will be evaluated based on their excellence in research. Teaching experience is advantageous, but not a requirement. Candidates are expected to develop independent research, and to actively participate in the teaching program of the Faculty's preclinical bachelor's in dental sciences.

Applicants should create an account and upload their documents through the following link: <https://tpp.ekmd.huji.ac.il>

**The following documents (in English only) are required:**

- C.V. (through the Online Form)
- List of publications
- Outline of future research
- Three letters of recommendation
